GRACE NOTES — June & July 2024

The Reflection Pool

Summer!

Growing up, my idyllic summer day was to sleep late (no school!), get on my bike, and pedal over to Bayberry Swim Club. Once there, we would play endless games of tag in the pool, dodging in and out of the other patrons, and driving the lifeguards absolutely nuts. After hours of swimming I would head home, change clothes, and play pickup sports (baseball, basketball, football) until the sun began to set. Then it was dinner, hopefully a dessert of strawberry pie, and a good book. I loved science fiction. I couldn't get enough. Times change, however. Soon my summer mornings featured swimming practice, followed by hours of lifeguarding (where the kids would drive Menuts), another swim practice, and then an evening of recovery before doing it all again. Oh, how I looked forward to my days off! As an adult working year round, summer for me was and still is the time of year I still associate with leisure and a more relaxed style of living. Most of our vacation time is taken in the summer. People have summer camps and cottages. There are summer leagues and travel teams. Virtually every sport (driving parents nuts). There are more outdoor activities and places to do them than anyone can count. Finally, believe it or not, summer is a great time to kick back and rest. In Mark 6:31 Jesus told his disciples to retreat from the busyness of work and rest awhile. It is restorative. In Matthew 28:30, Jesus promises to give us rest from our burdens. It is not good for body and soul to always feel the weight of work. Perhaps we can look at summer vacation time as an extended sabbath, where we can enter into a different realm; a different pace of life conducive to physical regeneration and spiritual growth. Spiritual growth! In summer!

Grace will still be here every Sunday. Our summer services will be upbeat and (hopefully) enjoyable. In our comings and goings this time of year we must also remember those for whom summer is just an extension of a difficult life. It is the mission of the church to always and everywhere strive to elevate the less fortunate. Need has no season. So, make sure you beat the heat. Stay safe. Be faithful. See you soon. Cowabunga! I mean, <u>peace</u>, Fr. Joe

SPECIAL THANKS TO ALL OUR GARDEN "GNOMES"!

Our clean-up day was a wonderful success despite what the weather was. Even that was a bit of a success as it rained before and after but not during the clean- up! A special thanks to the crew that worked two prior Fridays to weed the

memorial garden ahead of clean-up day so mulching could happen in the weed- free garden. Thanks to Ann Makowiec, Sue Allen, Ruth Frey, Carol Lewis and Jeannie LaMere for those efforts. The work would not have been completed

without the weed pulling, raking and mulching from our other garden gnomes that worked tirelessly. Thanks to Lou Santy, Tom LaMere, Brian Fancher, Mike Randall, Frank and Leslie Harper, Sue Purdy and Laura Moreau for all their hard

work. Also, thanks to Carol Lewis, Dan and Carla Wiemers, Mary Helen Foster and Tina Santy for the delicious lunch following a job well done!

A HUGE thank you to everyone that helped make the BBQ such a success! It was awesome to see everyone working together! The chicken dinners were excellent and much fellowship was had. Already thinking about improvements for next year! Till then, my BBQ hat goes on the shelf, Allen

To benefit Baldwinsville High School's "Bee Full" backpack Program

The Outreach Ministry's July and August project is to collect

16 oz. jars of peanut butter for Baker High School's "Bee Full" program, which provides food for students who may not have enough for the weekend. It was created during the 2018-2019 school year by a Baker student as a service project for the Rotary Youth Leadership Organization and is currently run by Baldwinsville teachers. On Friday afternoons and before each vacation, students who are accepted by the program are given a pack of nutritious snacks to take home.

In the past, Outreach has collected jars of peanut butter for other schools and organizations, and this year we would like to support our local high school. Peanut butter is a relatively high-priced item and so is especially appreciated. In recent years, 100 jars were collected at Grace Church during July and August. Let's see if we can beat that number this year!
